

2024 LEVER GUN CHAMPIONSHIPS

For 2024, the Western Lever Gun Championship will be held in conjunction with the NRA Lever Gun Silhouette Championship at the NRA Whittington Center on July 2-6.

The match format will be as follows:

July 2—Registration and Practice

July 3-4—Lever Action Rifle (40 shots each day)

July 5—Pistol Cartridge Rifle 60 shots July 6—
Smallbore Rifle 60 shots

In addition to the horse and rider steel trophies we've given at the Western Lever Gun Match, the NRA is providing medals for all match winners, plus the Jack Hill Trophy for overall match winner.

There will be a shooters' dinner at 5:00 PM on Friday, July 5. At the dinner, door prizes will be given to all registered shooters, plus there will be several rifles given away in a random drawing. You must be present to win.

The NRA is providing funds for this match, so there will be additional prizes awarded.

Because the two matches are combined this year, we think there will be an increase in participation. We are expecting approx. 150 entries for 2024.

This will be the largest US lever gun silhouette match in 2024. We hope you can join us at the beautiful Whittington Center silhouette shooting range complex. Over the past three years, the Western has become the premier lever gun silhouette match in the country. Much of this success is due to the camaraderie of the shooters who attend. We hope you can come compete with our family of shooters for a great, fun time.

Questions? Contact Jim Luke, 913-927-0700 or jlc@everestkc.net We will do our best to help you.
