

Lone Star Cup International Super Regional

2nd Annual 2026 SK Lone Star Cup June 6- 7, 2026

Hosted by: NASSA, Bayou Rifles Inc. & Silueteros.com

For more match information, click on www.SKloneStarCup.com

The **2nd Annual 2026 SK Lone Star Cup (SKLSC)** will be held at the Bayou Rifles' Houston Addicks Range on Saturday June 6th & Sunday June 7th, 2026. The SKLSC consists of a 160 shot aggregate **Smallbore Silhouette Standard Rifle Match** (NRA Registered), held simultaneously with a 160 shot aggregate **Smallbore Benchrest Silhouette Match** (two 40 shot matches per day).

Friday June 5th will be a practice day for both Smallbore Standard Rifle and Benchrest Silhouette. Please note there is no Hunter Rifle category in the SKLSC. **In addition, every junior registered will receive a free 500 round brick of SK Rifle Match (limit of 50 bricks)!** So, join us for great trophies, medals, cash awards and our large prize table to help support and grow the SKLSC in the years to come!

SKLSC Course of Fire & Schedule (Times Estimated):

Friday June 5	10:00am – 6:00pm	Practice, registration & team sign-ups
Saturday June 6	7:00am – 8:45am	Practice, registration & team sign-ups
	8:45am – 9:15am	Range set-up, safety meeting & opening ceremonies
	9:15am – 12:30pm	Match 1 – 40 Shots, Standard & Benchrest Rifles
	12:30pm – 1:30pm	Lunch & practice
	1:30pm – 4:45pm	Match 2 – 40 Shots, Standard & Benchrest Rifles
	5:00pm – 5:30pm	Shoot-offs & long-run record attempts
	5:30pm	Prize Table Drawings & Award Ceremony for: Match 3 – Team Match (80 shot aggregate from Match 1 & 2) Match 4 – Jim Bowie Trophy (80 shot aggregate from Match 1 & 2)
Sunday June 7	7:00am – 8:30am	Practice & range set-up
	8:30am – 11:45am	Match 5 – 40 Shots, Standard & Benchrest Rifles
	11:45am – 12:45pm	Lunch & Practice
	12:45pm – 4:00pm	Match 6 – 40 Shots, Standard & Benchrest Rifles
	4:00pm – 4:30pm	Shoot-offs & long-run record attempts
	4:30pm	Awards ceremony for: Match 7 – Davy Crockett Trophy (80 shot aggregate from Match 5 & 6) Match 8 – SKLSC Overall Aggregate Awards (160 shots)

General Match Information:

Eligibility - NRA memberships are not required to participate, but only NRA members are eligible for submitting pending NRA Nationals Records for SKLSC Aggregate and Long-Run scores in the Open, Junior and Senior categories.

Lone Star Cup International Super Regional

Standard Rifle Classification - The NRA Silhouette Classification System will apply for all **Smallbore Silhouette Standard Rifle** contestants. Unclassified shooters will establish their Standard Rifle classification based on their total scores in Match 1 and Match 2 on Saturday for Team awards (Saturday) and Aggregate awards (Sunday).

Benchrest Rifle Classification - Benchrest Silhouette as conducted at the SKLSC is a new rifle silhouette discipline established by the North American Silhouette Shooting Association (NASSA). Benchrest Silhouette classifications are based on the following scoring criteria: Master (35-40), AAA (29-34), AA (22-28), A (15-21) & B (0-14). Shooters who have participated in 2024-2025 Benchrest Silhouette matches at Bayou Rifles will be classified based on this criteria. Shooters who have not participated in this discipline will establish their classification based on their total scores in Match 1 and Match 2 on Saturday for Aggregate awards (Sunday).

Standard Rifle Rules & Equipment - All NRA Silhouette Smallbore Standard Rifle rules will apply. Silhouette Standard Rifles must meet NRA rule book specifications. Rifles may be certified prior to the start of the event and may be re-inspected at any time during the duration of the match. Properly fitting shotgun-style vests per the NRA rulebook will be allowed. Shooting coats not meeting NRA rules, unnecessarily heavy clothing, or anything on the person that would provide artificial support such as clothing having excess padding, stiffening material or which restricts or supports the body in the standing shooting position may not be worn.

Benchrest Silhouette Rules & Equipment - NASSA Benchrest Silhouette rules have been posted on SKLoneStarCup.com and NASSA multi-media. Benchrest Silhouette is shot off the bench at steel chickens, pigs, turkeys and rams all set at 100 meters. The targets sizes are 1/5 scale chicken, 1/10 scale pig, 1/10 scale turkey and 1/10 scale ram. Any shot that causes the correct target to fall over or fall off the rail is scored a hit and all others are scored as misses. The front rest may either be a bag, bipod, or traditional "benchrest rest" and the rest must be forward enough that the rifle cannot sit fully supported on the rest if the shooter is not holding the rifle. The rifle may not be clamped into the rest. No rear bag/rest is allowed. The rear of the rifle must be supported by the shooter's shoulder. No part of the rifle may touch the bench. The shooter's shooting hand/elbow, etc. may rest on the bench. The non-shooting hand/arm may not support the rifle in any way behind the trigger guard. Spotters are not allowed (recent rule change).

For more information on this new silhouette discipline, click on the North American Silhouette Shooting Association (NASSA) webpage link <https://nassasilhouette.org/about-us/whats-new/>. Contact the match director with questions.

SKLSC Jury - An SKLSC Jury of 3 will be selected before Saturday's first match at 9:15am. There will be a \$25 protest fee and the jury's verdict will be final. The jury will act as the final authority on submitted protests or any other disputes involving procedures, equipment, scoring, etc.

Safety - Empty Chamber Indicators will be REQUIRED (NRA rule 3.21) in all firearms not in a case/bag while on range property. ECI's will be supplied if you don't have one. All firearms MUST be removed from the firing line before the line can be called safe. NO HANDLING OF FIREARMS ON FIRING LINE while the line is safe. All firearms must be cased when carried from your vehicle to the firing line or from the firing line to your vehicle. They may be uncased at the firing line only when the line is "hot", always keeping the muzzle pointed downrange. NO ALCOHOLIC BEVERAGES ALLOWED ON BRI PROPERTY. Eye and ear protection is required on the firing line. There is no smoking on the firing line. Please take care with any smoking materials.

Squadding - Squadding will be arranged so that all competitors will have a spotter/score keeper. Requests for squadding will be accommodated as best as possible and are **on a first-come, first served basis via the dates your registration form is received**. Spotting scopes and spotter stools will not be provided.

Target Setting - Target setters will be available during the official Saturday and Sunday matches for record. Shooters will be required to reset their targets on Friday's practice day.

Lone Star Cup International Super Regional

Scoring - Competitors will be required to examine scorecards after each series and cards initialed before leaving the line. Any scoring discrepancies must be resolved at the end of the shot series involved and before targets are re-set. If a scorecard is signed without correction, the recorded score will stand and no changes will be made.

Registration & Entry Fees:

Registrations will be limited to a **maximum** of 120 "**standing rifle silhouette shooters**" (5 relays/24 shooters per relay) and 30 "**benchrest silhouette shooters**" (5 relays/6 shooters per relay) shot simultaneously and on a **first-come, first-served basis**.

On-Line Registration – On-line registration and payment is available through the Bayou Rifles Events Planning on the link below. On-line registration closes 6:00pm, May 29, 2026.

[2026 SKLSC On-Line Registration & Payment](#)

Mail-In Registration – Fill out the attached mail-in registration form **for each competitor**, make out checks to Chris Cawthorne and mail to Chris Cawthorne's address on the registration form. Mail-in entries and fee payments for the smallbore silhouette rifle match will close at 6:00pm, May 29, 2026.

Late Entry – After the closure deadline for on-line and mail-in registration, **cash only** registration will be available on-site on Friday June 5th and Saturday morning June 6th per the Course of Fire and Schedule section above, subject to availability. Squadding choices may also be restricted.

Letter of Invitation for Mexican Shooters - Contact Chris Cawthorne at the contact details listed below to receive a "Letter of Invitation" to the SKLSC for purposes of exporting your Standard Rifle into the USA.

Entry Fees -

- **Entries for Standard Rifle Silhouette** - \$130 per adult & \$50.00 for juniors (20 years old or younger as of 12/31/2026).
- **Benchrest Silhouette** - \$90 per adult & \$50.00 for juniors (20 years old or younger as of 12/31/2026).

NOTE – ALL PAID ENTRY FEES INCLUDE A CATERED LUNCH ON BOTH SATURDAY & SUNDAY

Special Donor Prize Table:

The **SK Lone Star Cup Equipment Survey Form** in your SKLSC Registration Packet serves as your “prize table drawing ticket” and ***you must fill it out and turn it in to the STAT OFFICE to be eligible for the prize table drawings.***

Your SKLSC Organizing Committee is busy soliciting various shooting equipment vendors and private donations to make our SKLSC prize table giveaways your incentive to return and support our match in the years to come!

Lodging & Miscellaneous Match Information:

Hotels – There are many hotels nearby as the Bayou Rifles Addicks Range is near the “Energy Corridor” in Houston. As with many big cities, please be careful where you make your reservations due to elevated big city crime rates.

We recommend the **Hyatt Regency West** located at 13210 Katy Freeway, Houston, TX 77079 (+1 281 558-8338) which is only a $\frac{1}{4}$ mile from the range. We negotiated a “Courtesy Block” of rooms here: single occupancy @ \$121, double occupancy @ \$121, triple occupancy @ \$131 & quad occupancy at \$141, excluding local taxes. Click on the link below to make your **Hyatt Regency West Hotel** reservation:

<https://www.hyatt.com/events/en-US/group-booking/HOURO/G-SKLO>

Location - The Bayou Rifles Addicks Range is located at 1187 N. Eldridge Parkway, Houston, Texas. 77041 (reference iMaps/Google Maps). Locate I-10 west and Eldridge Parkway and from this intersection, travel north on Eldridge. Go through the light one block north of the intersection and you will see a tall dike the road travels over. Stay in the right lane. Come down the dike and after the road immediately crosses a bridge, turn right on the gravel road right after the bridge (look for the “Ram Sign” and Corps of Engineers Sign). The gate should be open and the smallbore/benchrest silhouette range is the first range on the left.

Range Facilities - The range has a very long covered firing line and covered area with limited seating to eat. **We encourage you to bring your own Chairs and Canopies as June is hot weather in Houston.** There is NO RUNNING WATER at the range. Only portable toilets are available. Pets are allowed on the property but should be supervised and kept on a leash.

Force Majeure - The Bayou Rifles Addicks Range is in a Houston flood reservoir. Flooding is possible during bad storms. Generally, any flooding events are forecastable. If the match is to be cancelled due to flooding, a call may be made the Monday prior to the match and we will endeavor to contact all shooters we know about that are attending the match. That should leave anyone with hotel rooms and airline tickets enough time to act accordingly.
